* Advice workbench height: bodylength up to 1,85m - standard height of 90cm / bodylength from 1,85m - model 100cm height

Height of workbench is up to the upperside of the desktop, in case of high backside model an extra 13 cm need to be added to total

* Workbenches with filing or sawing pin have an opening on frontside. Choice beechwood filing pin or sawing pin (or both € 5,00 extra)

* All workbenches are delivered with 2 drawers per workplace with room for 4. You can order extra drawers.

* Height of the drawers has been measured inside the drawer

* The standard round space taken from the desktop is 10cm deep, and can be delivered with 20cm depth without any extra costs

* Workbenches with Chest of Drawers have the chest on the right side, but by request can be put on the left side.
