* *Advice workbench height: bodylength up to 1,85m - standard height of 90cm / bodylength from 1,85m - model 100cm height*

* *Height of workbench is up to the upperside of the desktop, keep in mind that a high backside adds an extra 13cm to the total height*

* *Models #14-16, #24-26 have an opening in frontside, comes with either filing or sawing pin (or both for € 5,00 extra)*

* *All workbenches are delivered with 2 drawers per workplace with room for 4*

* *Height of the drawers has been measured inside the drawer*

* *The standard round space taken from the desktop is 10cm deep, and can be delivered with 20cm depth without any extra costs*

* *Workbenches with Chest of Drawers have the chest on the right side, but by request can be put on the left side.*
